2 ACCEPTANCE

- a. It is signed by both Parents / Guardians, unless otherwise agreed;
- b. The Application Fee has been paid prior to receiving an invoice for such fee, in order to expedite the process.
- c. The documents requested on the Application Form are included or date of future receipt agreed with the Admissions Department.

3 SCHOOL FEES (APPENDIX II)

- (a) By signing the Application Form/Re-Enrolment Form, you are (re)enrolling a student for a particular school year and You agree to pay the applicable Tuition Fees. The Tuition Fee is specified in the Application or Re-Enrolment Form and on the School's website. The full Tuition Fee is payable within 30 days of the invoice date. Termly payment instalments may be arranged with the Business Manager, which will result in an annual administrative fee of €750. If paying in instalments, all fees must be paid by 1 April of the current school year. The Tuition Fee covers all curricular activities that are a compulsory element in the student's learning programme and excludes the one-time Campus Development Fee. Interest and other charges may be levied in the event of late payment. The School reviews the Tuition Fees on an annual basis and reserves the right to modify the Tuition Fees accordingly. The modification of the Tuition Fees shall be published on the School's website and You will be notified in writing.
- (b) Additional services offered by the School are not included in the Tuition Fees. They are subject to Additional Fees and invoiced separately. They include, but are not limited to, the bus service, co-curricular field trips, private music lessons, extra and/or co-curricular activities programme, lunch service, speech therapy, occupational therapy and tutoring.
- (c) Each person who has signed the Application / Re-Enrolment Form is liable for the whole of the Application Fees, Campus Development Fee, and Fees due. The persons who have signed the Application Form / Re-Enrolment Form remain liable to the School for all amounts due unless the School has agreed in writing to look exclusively to any other person or organisation for payment of the Fees or any part of them. Nevertheless, You remain jointly liable for the full payment of all invoices of the School.

- (d) All late payments are subject to interest on the unpaid sum at the interest rate laid down in Article 5 of the Law of 2 August 2002 on combating late payment in commercial transactions. Late payment interest on the unpaid sum begins to accrue on the 14th day following the day on which the first reminder is sent and continues to accrue monthly until the date the payment, including the unpaid sum, interest and other charges and costs (if any) incurred by the School following this late payment (such as but not limited to administrative costs and legal fees), is paid in full. The application of late payment interest provided for in this article shall be in addition to any other remedies available to the School under the Agreement or otherwise. In the case of a late payment exceeding thirty days from the date of sending You the first reminder to remit the amounts due, the School is empowered, at its sole discretion to:
- Terminate the Agreement with immediate effect and to claim damages;
 - Suspend a student from classes, withhold a student's graduation, prevent a student from sitting examinations, hold back any school records such as but not limited to a student's report cards, transcripts and any other information or documents that the School may possess. The above actions shall not reduce the debt in any way;
 - Charge an administrative cost of €15 for every additional reminder sent; and/or
 - Inform any other educational establishment, to which You propose to send the student, of the outstanding debt towards the School.

Additionally, in the case of late payments, the following fixed indemnity will be due:

- 20 EUR if the unpaid sum is less than or equal to 150 EUR;
- 30 EUR + 10% of the amount due on the tranche between 150,01 and 500 EUR if the unpaid sum is between 150,01 and 500 EUR;
- 65 EUR + 5% of the amount due on the tranche above 500 EUR up to a maximum of 2,000 EUR if the unpaid sum is above 500 EUR.

The interest rate and fixed indemnity mentioned above are also applicable in case of late payment of any amount due by the School in execution of this Agreement.

- (e) Fees will not be reduced as a result of absence due to illness or otherwise (including but not limited to absence following an expulsion or suspension). If your child takes study leave at home before or during public examinations or stays at home following those examinations, there is equally no reduction of fees.
- (f) The Application Fee covers the costs of the Admissions Department processing the initial application. It is non-refundable whether the application is successful or not.
- (g) **New students** - If the School is not notified by You in writing of the cancellation of the enrolment of a new student at least three months prior to such student starting at the School, a fixed indemnity of 10% of the Tuition Fees shall be due by You. In turn, the same fixed indemnity will be due by the School under the same conditions, if the School cancels the enrolment of a new student for reasons not caused by that student or his/her Parents / Guardian.
- (h) **Current students** –
- (i) Departure/withdrawal prior to the start of the new school year
Once the Re-Enrolment Form is signed by You and You wish to withdraw the student for the following school year prior to the start date thereof, You must notify the School in writing before the 1st of June. Notification to cancel the re-enrolment received by the Business Manager as from the 1st of June onwards and prior to the start of the school year in August shall result in a fixed

indemnity of 10% of the Tuition Fees. The same fixed indemnity will be due by the School under the same conditions, if the School cancels the enrolment of a new student for reasons not caused by that student or his/her Parents / Guardian.

(ii) Departure/withdrawal during the school year

The School must be notified in writing of the departure or withdrawal of a Student during the school year as soon as possible and at least three months prior to the departure or withdrawal date. In the event of a departure or withdrawal of a Student during the school year, the School shall reimburse the Fees paid in accordance with the following scheme:

- A departure or withdrawal during or by the end of the first Term of the school year shall entitle You to a reimbursement of 25% of the annual Tuition Fee if a departure or withdrawal notice is received by the School on or prior to October 15th of the school year;

For a departure or withdrawal during or by the end of the first Semester of the school year, if notice is received by the School after October 15th of the school year: You are not entitled to any reimbursement of the annual Tuition Fees;

- A departure or withdrawal during the second Semester of the school year: You are not entitled to any reimbursement of the annual Tuition Fees.

- (i) Notification in accordance with article 3 (g) or (h) can be addressed to the Business Manager. E-mail notification to [vamand@stjohns.be] is acceptable for such purposes.
- (j) Without prejudice to the provisions of article 3(h) hereof, You accept that all fees (including, but not limited to the Tuition Fees) are non-refundable. We will use all reasonable efforts to provide alternative teaching, including remote learning, if the School is required to temporarily close due to circumstances outside the School's control.

All aspects of the student's record at the School may be taken into account.
- (c) The Head of School, at his/her discretion, may suspend or, in serious or persistent cases, expel

If the School so requires, due to a health risk either presented by your child to others or presented to your child by others or by reason of a virus, pandemic, epidemic or other health risk, You undertake to keep your child at home and not permit him/her to return to the School until such time as the health risk has been averted.

APPENDIX III

Inspired Education Group Parent Code of Conduct

1. Commitment to working with parents.

We are proud at Inspired schools to have excellent relationships, based on shared beliefs and common goals, between students, staff and parents – this partnership is key to the success of our schools and ensuring students can continue to flourish in a positive and supportive environment.

We encourage and welcome parents' full participation in the life of our schools, as part of a mutually supportive community that embodies the ethos and values of the school, in the best interests of the students; we are committed to listening to parental feedback to support our schools in being the very best they can be - this code of conduct clarifies our expectations of this relationship.

The school's philosophy and values should be considered as being shared by all members of the community, including parents, and hence parents are expected to uphold these values in all of their interactions with the school and its community.

Every member of our community deserves to be treated with respect, dignity, and tolerance; they are also cornerstones of the Inspired philosophy. We demand it of all our students and expect all adults, including parents, to abide by these standards and set a good example in their own speech and behaviour.

2. Communicating with school.

We understand that there will be occasions when parents and guardians wish to raise concerns or complaints – we ask parents to share these with school leadership through the appropriate channels and/or following the school's complaints policy, so these can be quickly resolved for the best interests of our students.

We expect behaviour and communications between parents and school to be always respectful and mindful of the modelling of best behaviours we expect of our students, whether at school events, in person, on the telephone or online.

In the event of disagreements between school staff and parents, these should not be worked through in sight of the parent's children or, indeed, any other students in the school. We believe that when home and school can present a shared opinion or decision to children/students, this is ultimately beneficial as part of the student's learning and development process.

We expect parents to follow and uphold all procedures outlined in the school's published policies.

3. Behaviour and communication that is unacceptable.

We will always do all we can to facilitate communication with parents that is consistent with the above principles in resolving the concern or the complaint, but we will not tolerate communication or behaviour we consider disrespectful, abusive or threatening.

Behaviours that we consider to be unacceptable include, but are not limited to:

- Communication or behaviour that is disrespectful, offensive, aggressive, abusive, defamatory, threatening, harassing, bullying or otherwise considered unacceptable, whether this is at school events, in person, on the telephone, by email or on social media.
- Behaviour or communications that breach school policies, safety or procedures.
- Disruptive behaviour including offensive language or displays of anger which interferes or threatens to interfere with the normal, daily operation of the school.
- Inappropriate posting of libellous, defamatory, malicious or threatening messages on emails and on traditional and social media about the school or individuals connected with it, including creating or joining private groups or chats that victimise or harass an individual connected with the school or the school in general, or potentially damage the school's reputation.

4. Consequences of breaching parent code of conduct.

Where behaviours are displayed by parents that breach the parent code of conduct, the school will attempt to facilitate more effective lines of communication, investigate, and seek to resolve these issues.

Where that is not possible, the school reserves the right to take any actions to ensure that members of the school community are not subject to abuse. Actions the school can take are, but not limited to include:

- Request for a meeting to resolve the issue.
- Issue a warning regarding the behaviour and how that breaches this code.
- Withdraw the right to be on school premises or at school events.
- Give notice to parents to that the enrolment contract with their child/ren has been rescinded and an alternative school will need to be found.
