	Who We Are	How the World Works	Sharing the Planet	How we Organize	How We Express	Where we are in Place
				Ourselves	Ourselves	and Time
	An inquiry into the nature of the self; beliefs and values; personal, physical, mental, social and spiritual health; human relationships including families, friends, communities and cultures; of our rights and responsibilities; what it means to be human.	An inquiry into orientation in place and time; personal histories; homes and journeys; the discoveries, explorations and migrations of humankind; the relationships between and the interconnectedness of individuals and civilisations,	An inquiry into rights and responsibilities in the struggle to share finite resources with other people and with other living things; communities and the relationships within and between them; access to equal opportunities; peace and conflict resolution.	An inquiry into the interconnectedness of human-made systems and communities; the structure and function of organizations; societal decision making; economic activities and their impact on humankind and the environment.	An inquiry into the ways in which we discover and express ideas, feelings, nature, culture, beliefs and values; the ways in which we reflect on, extend and enjoy our creativity; our appreciation of the aesthetic.	An inquiry into orientation in place and time; personal histories; homes and journeys; the discoveries, explorations and migrations of humankind; the relationships between and the interconnectedness of individuals and civilisations,
		from local and global perspectives.				from local and global perspectives.
Pre- K 1	Physical characteristics — recognising the parts of my body How I am growing and changing How I communicate my likes and dislikes	 We communicate our observations of the natural world with others. What we observe around us as we play outdoors Using our senses to observe and communicate our findings How we find answers to our questions 		People use transportation systems to connect communities and to go places. Modes of transportation Why people need transportation How to be safe when using transportation	Play is a medium for expression and creativity. Different types of creative play The different ways I can play How we express our needs and wants through creative play Learning about ourselves and others through play	
Pre- K 2	 Getting to know ourselves and each other helps us to form friendships. Knowing who I am and how I feel How we communicate with each other How we develop and maintain friendships 		We share our school, home and gardens with many living and non-living things. Living and non-living things Characteristics and needs of living things How we care for living things in our local environment	We use signs and symbols to organize ourselves and communicate. • Maps and pictograms that help us • How signs give directions and keep us safe • How I can make signs and symbols to communicate with others	People develop and share their creativity with others in many ways. • Forms of creative arts • Developing our creative skills • Sharing our creativity with others	
K	 My family and life experiences shape who I am. Experiences that are important to my family and me My roles and responsibilities in my family how celebrating the differences in our families helps us learn more about who we are 		The health of our environment depends on the choices we make. People produce different types of waste Ways of reducing, re-using and recycling How we can make better choices at school How we can help our families make better choices	People in our community depend on each other to meet needs and wants. Our community is made of many different people The roles that different people have The people who keep us safe Understanding our needs and wants within our community	Stories can be expressed in a variety of ways to engage their audience and communicate meaning. • What stories can convey- what a story tells us • How stories are created and shared • Different ways we can tell stories	

St. John's International School Primary School Programme of Inquiry 2022-2023
